Vienna, 2nd of October 2024

Subject: Invitation for Rostyslav Panchuk

Dear Dr. Rostyslav Panchuk

We are pleased to invite you to the Center for Cancer Research, Medical University of Vienna into the lab of Prof. Petra Heffeter between 02, November 2024 and 02, December 2024 to perform joint studies in frames of Austria-Ukraine bilateral project WTZ 08/2023 «*Dual targeting of tumor-specific vulnerabilities by novel thiosemicarbazone derivatives*». The main focus of this project is to dissect molecular mechanisms underlying enhanced anticancer activity of novel thiosemicarbazones towards tumor cells harboring specific *TP53* mutations.

The costs of your stay in Vienna (Austria) will be covered by Austria's Agency for Education and Internationalization (OEAD) in accordance with the intergovernmental agreement between Ukraine and Austria.

We are looking forward to meet you soon in Vienna.

Sincerely yours,

Univ.-Prof. Petra Heffeter
(Lab Head)

Univ. Prof Dr. Maria Sibilia
(Head, Center for Cancer Research)
